JUBILEE PERFORMERS

GARRATT WILKIN AND THE PARROT HEADS

Beaches, boats, sun and sand, this is what you'll think of when you hear Garratt Wilkin and the Parrot Heads playing a celebration of Jimmy Buffett music. This 6-piece band is sure to entertain you with hits like Cheeseburger in Paradise, Come Monday, and Margaritaville.

FUNKENGRUVEN

Back by popular demand, this high energy 10-member band will get you up out of your seats! Funkengruven is dedicated to the preservation of classic American Soul, Funk, and R&B music of the 70s. Let them take you back to the times of KC & The Sunshine Band, Stevie Wonder, Otis Redding, Kool & The Gang, and many more.

TAINTED LOVE

The 80s are back with Tainted Love! This upbeat, fast paced dance band will get you movin' and groovin'. With seven talented members, Tainted Love will bring you back to the times of the Go Go's, Madonna, Van Halen, B-52's, and many, many more. Be on the look out for big hair, patent leather and fishnets as Tainted Love takes the stage.

A Special Thank You to all the volunteers who help make the Jubilee possible, especially: Judy Lamb (Jubilee Committee Chairperson), Robert & Holly Looman, Kisar Singh, Mary Dominguez, Bill McEnroe, Eric Morgan, Kim Caveza, Carol Peterson, Roberta Svetich, and Jill Page.
